PRESIDENT: The question is the adoption of Senator Goodrich's amendment. Senator Kelly, for what purpose do you arise?

SENATOR KELLY: For a record vote, Mr. President.

PRESIDENT: Motion fails.

CLERK: Mr. President, there is one more motion to amend on the desk. I move to amend . . . to change line 27 the figure of 1000 and substitute the figure of \$750.00. Signed, Senator Swigart.

PRESIDENT: Senator Swigart, this motion is essentially the same as Senator Goodrich, except you reduce it from 1,000 to 750, or are there other changes?

SENATOR SWIGART: No. Just that change.

PRESIDENT: Do you wish to be heard on this?

SENATOR SWIGART: I feel, to get underway with the original accreditation, \$1000 fee is quite steep and it ought not be that much. I think we're trying to encourage free enterprise. In these times \$1000 fee is quite a steep fee. I move to adopt the motion for \$750.

PRESIDENT: The question is . . . Senator Kelly.

SENATOR KELLY: Mr. President, members of the Legislature, it should be pointed out that the testimony that the Public Health Committee heard is that they need this amount of money for the amount of work that the examining board people do in inspecting, setting up, and counseling with and getting this whole school set up to conform to the state standards for the operation of such school. These people have had trouble with the cash flow in their licensing board funds. The operators of the school, the State Inspecting Department, and the cosmetologists, as a group, all agreed that this \$1000 was acceptable and that the \$1000 is needed. Thank you.
